

# GLEBE HILL VILLAGE PUBLIC ARTWORK REGISTRATION OF INTEREST FOR ARTISTS

---

Tipalea Partners is developing Glebe Hill Village, a new neighbourhood retail shopping centre for the communities of Hobart's east coast and greater Clarence area. The site is on the corner of Pass Road and Rokeby Road in Howrah. Details about the project can be found [www.GlebeHillVillage.com.au](http://www.GlebeHillVillage.com.au) or at [www.facebook.com/glebehillvillage](https://www.facebook.com/glebehillvillage).

Once open in mid 2022, Glebe Hill Village will be the most advanced neighbourhood centre in Tasmania. In keeping with this theme of creating an incredible centre and experience, Tipalea is proposing to invest over \$110,000 in the public art component of Glebe Hill Village.

Cultural Capital, on behalf of Tipalea, will commission one Tasmanian artist to transform the underside of the car park canopies into an engaging and creatively expressive surface with a view to bringing place-based stories and/or imagery to this development.

This public artwork opportunity is for a 2D printed graphic treatment that will transform the otherwise routine arrival and departure experience into moments rich with the meanings invested by the artist. The relationship between the art on the underside of the canopies and people entering and exiting their cars will be quite intimate and immersive, heightening the experience of the art.

The car park canopy dimensions are as follows;

- Carpark structure 1 - 65m (L) x 13m (W)
- Carpark structure 2 - 45m (L) x 13m (W)
- Carpark structure 3 - 45m (L) x 13m (W)

Cultural Capital is calling for artists residing in Tasmania to register their interest to be considered for the project by sending the following details in a single pdf document in A4 size with (up to 8 pages);

- CV with your contact details
- Artist bio (100 words)
- Website link (if applicable)
- Up to 5 images of previous work (please insert these into the document with title, medium, dimensions, year and location)

Please email your pdf submission to [submissions@culturalcapital.city](mailto:submissions@culturalcapital.city) with the subject heading 'Glebe Hill Village ROI: Artist Name'.

\*Please title the document with your name, area of residence and register your interest by COB (AEST) Wednesday 1st of September, 2021.

Shortlisted artists will be sent the artist brief to provide a concept. Concept fee is \$3,000. The artist's fee is \$20,000. The printing and production costs of approximately \$80,000 will be paid separately to this fee by Tipalea

The public artwork will be installed in Q1 2022.

## 2D TREATMENT
